### Desired Attributes, Expertise and Experience

- An interest in creativity and an understanding of how arts and culture contribute to community development, economic growth and community wellbeing
- Relationships and networks in the broader arts and culture sector
- Relationships and networks in the broader business sector
- Relationships with and understanding of Tangata Whenua
- Ability to think in a visionary and strategic manner
- Ability to work collaboratively and cooperatively
- Previous governance experience
- Understanding of the local government environment and public accountability
- Sound judgement
- Effective communication skills
- Strong negotiation skills

### Key Criteria

The following experience, networks and skill sets were identified as key criteria for recruitment:

- Tangata whenua networks
- Western Bay representation
- Youth representation
- Representation from diverse arts or cultural interests
- Key business / funding partnerships
- Research and technology skills

We recognise that not everyone has all of the above attributes, expertise and experience. Most importantly, we are seeking committed people that want to continue on this exciting journey with us. Please identify those attributes that you believe you would bring to Creative Bay of Plenty in your application.

Please fill out the attached application form and return to us no later than **5.00 pm Tuesday 19th April**. Short-listed applicants will be interviewed by Zoom in the week commencing on Monday 25<sup>th</sup> April. You will be notified accordingly.
